About the Seminar

The seminar focuses on the growing influence of technology on society, highlighting both its opportunities and associated risks. It aims to promote informed discussion on responsible and ethical use of technology through interdisciplinary academic interaction

Objectives of the Seminar

The seminar aims to:

- Provide a platform for academicians, researchers, and students to share knowledge and insights on technological advancements.
- Promote interdisciplinary dialogue on the societal, ethical, and economic impacts of technology.
- Encourage critical discussions on opportunities, risks, and the responsible use of technology.
- Inspire research, innovation, and academic contributions aligned with societal needs.
- Facilitate awareness of emerging trends, challenges, and future prospects in a technology-driven society.

Keynote Speaker

Dr. Sriparna Saha

Associate Professor

Department of Computer Science & Engineering

Indian Institute Of Technology (IIT), Patna

Invited Speaker

Dr. Munish Jindal

Associate Professor & Head

Department of Computational Sciences

Maharaja Ranjit Singh Punjab Technical University,

Bathinda
